The institution is well prepared to handle and respond to gender sensitive issues and provide an environment where men and women can work together with a sense of personal security and dignity. For this purpose the institute has setup gender sensitization cell in August 2020. The cell engrosses the awareness about gender issues and working toward and creating an enabling environment of gender justice.

## Main Objective of Gender Sensitization Cell is:

- To make the young boys and girls gender sensitive and create positive values that supports the girls and their rights.
- To provide overall guidance to the peer group in integrating gender in all activities of the institution in the form of focused group discussion, debates, poster making competitions etc.
- To provide an integrated and interdisciplinary approach to understand the social and cultural construction of gender that shapes the experiences of women and men in society.
- To generate the awareness in regard to equality in law, social system and democratic activities.
